

Friends of Gomer Junior School Newsletter 2008

FROGJS is a group of parents, grandparents and teachers who meet once a term to decide on and organise fund raising ideas. Sometimes the meeting is held in the staff room, other times in the local pub!

Anyone who has a child in the junior school is welcome to come along to the meetings, voice opinions and offer their help. FROGJS believe that it is important that any money raised must directly benefit every child in the school.

The main aim is to use the funds to pay for the things that the schools own budget would otherwise be unable to cover.

Over the last few years some of the funding has been used for:

- An adventure playground
- New staging and lighting
- Apparatus, games and storage fro outdoor PE
- Bookcases for the library
- Laptop computers

This year we are raising funds to create an outdoor classroom and nature trail. We are sure you will agree that this is an exciting project that will need lots of support

HELP IS THEREFORE ALWAYS NEEDED AND GREATLY APPRECIATED

FROGJS NEWS

Thank you for your kind contribution to our summer fair. Despite the rain we were still able to raise £1000. This will be used in our exciting new project to develop an outside classroom and nature trail. I'm sure you will agree this is a great way to get the children outside more and learn about nature in a truly 'hands-on' environment/.

Thanks once again fro your continued support and I hope you will be able to help us again next year!

Yours sincerely

Julie Samways.
